

Music Director

Who We Are

When you ask us what we do at LifePoint Church, it's very simple: we point people to life in Jesus Christ. It's not about us, in fact, WE GET TO partner with God in a story much bigger than ourselves. It's less about a job, it's more about a calling. - We are a growing multi-ethnic church, not just in the community but for the community. God has placed us on the rim of metro DC in population center where over 60,000 people who live within 5 miles of our campus don't know Jesus yet. LifePoint is a place where everyone is welcome, nobody is perfect, and anything is possible with Jesus. - We work hard to help people take steps to connect relationally, grow intentionally, serve radically, and lead spiritually. We are currently looking for a Musical Director to grow with us!
